

Patron Use of Library Equipment Policy

The James L. Hamner Public Library provides patron access to basic office and computer equipment for a fee or, in some cases, for free. It is the responsibility of the patron to ensure that such usage does not violate national or international copyright laws, nor in any way infringe on the rights of others. Piracy, harassment, threats, viewing obscene materials, creation of obscene materials, thefts of intellectual property or any other illegal act will not be tolerated. Patrons are expected use the equipment in such a way as to prevent damage to the equipment. Patron use of the equipment may not disrupt the ability of others to use the library. Failure to act in accordance with library policy and staff directions may result in loss of privileges and the library reserves the right to contact the appropriate authorities.
