

# Hamner Public Library Playground Project

In 2024, a beautiful new 5,000 sq. ft. playground will be added to the green space behind the Hamner Public Library. Amelia County will invest \$60,000 in preparing the site, installing fencing, and purchasing a large playset for school-aged kids. The Friends of the Hamner Public Library are donating \$11,000 toward the purchase and installation of a playset for toddlers.

We are asking the community to help us make this playground a truly wonderful place for the children of Amelia County and help us to raise an additional \$15,000 to fund a covered picnic area and new swings. So far, businesses and organizations such as Southside Electric Cooperative, Citizens Bank & Trust, Commonwealth Real Estate Co., and the Amelia Lion's Club have pledged support for this project. Donations of any amount are welcome and are tax deductible through the Friends of the Hamner Public Library.

Can you or your business help us to reach our goal?  
For more information contact Katarina Spears, Library Director, at 804.561.4559 or email [kspears@hamnerlibrary.org](mailto:kspears@hamnerlibrary.org).
